

2 Day Shipyard Competent Person Training

Does your facility need employees trained in SCP skills, tank testing, logging requirements, and instrumentation to meet the OSHA 1915 Standard? Then you need them to attend this training!

Offered by: *Marine Chemists of Louisiana*

When: September 20 & 21, 2017 0800-1630 hrs (Wednesday & Thursday)

Where: 160 Modern Farms Rd Westwego, La 70094. Second floor training room.

Cost: \$ 450.00

(Lunch and all class materials provided)

We need your employees name(s) and company below. A form of payment, check or purchase order # must be received in advance to hold all spots. \$ 100.00 of the \$ 450.00 registration fee will not be refunded for students who cancel less than 24 hours prior to scheduled class. Make checks payable to *Marine Chemists of La.*, and can be mailed to P.O. Box 9064 Bridge City, La 70096. Or you can contact Geoff Jenny at 504-416-1852 and email at gjenny@marinechemists.com.
